*Please check tickets and count your change before leaving the window.  
Hold all tickets until the race is declared official.*

**The Odds and What They Mean**

Odds represent the chances of winning at any given venture. The odds do not represent each horse's actual chances of winning, but what the bettors think those chances are, based on how they've actually bet. Odds are based on the Win pool only. That means each horse's odds are the ratio of how much has been bet on him to win, to the total amount bet to win on all the horses. The odds are set by the bettors themselves. The track simply holds all bets and pays the winners when the race results are official.

**The Morning Line**

The "morning line" odds in the program are set by oddsmakers before the betting actually begins. They are simply educated guesses on how the public will bet on each horse. They change as the actual track betting dictates. All payoffs are calculated on a \$2 bet. (See the chart on the right.)

## TEMPTING STAKES TOP BIG A WEEKEND

*By Andy Dudley  
NYRA Press Staff*

Two-year-olds take to the track next weekend for two stakes races at Aqueduct. The colts will be on tap first, running in the Grade II \$85,000-added Nashua Stakes on Saturday. The ladies have their chance on Sunday in the Grade II \$85,000-added Tempted Stakes. Both races will be run at one mile and one-sixteenth.

The Nashua was named for the 1955 Horse of the Year, who was trained by "Sunny" Jim Fitzsimmons. The Belair Stud colorbearer earned over a million dollars in his career, winning 22 of 30 starts. Defeated by arch-rival Swaps in the '55 Kentucky Derby, he went on to win the Preakness and Belmont Stakes. Later that same year, he turned the tables on Swaps, taking their \$100,000 match race at Washington Park by an easy six lengths.

Victory in the Nashua can signal potential as a three-year-old. The 1978 winner, Instrument Landing, went on to take the 1979 Wood Memorial. Marcia W. Schott's Willow Hour won the 1980 renewal, and the following year had a double at Saratoga, winning both the Jim Dandy and the Travers Stakes.

Last year's event saw L.R. French Jr.'s Cougarized win by two lengths over the late closing Blew By Em. The son of Cougar II gave trainer D. Wayne Lukas and jockey Jose Santos their first victories in the race, and lowered the stakes record by one fifth of a second.

The Tempted, to be run the next day, has been upgraded from Grade III to Grade II this year. This race was christened in honor of the Christiana Stable's champion handicap mare of 1959, who set a track and North American record when she won the Ladies Handicap at Aqueduct under 128 pounds.

Such fine racemares as Pearl Necklace, Caesar's Wish, and Genuine Risk have triumphed in this stake. While denied the Eclipse Award as a two-year-old, Genuine Risk went on to victory in the Kentucky Derby, and was named champion three-year-old filly of 1980.

Janet Wayson's Thirty Eight Go Go took last year's running. She came from far back under Eclipse-winning apprentice Kent Desormeaux to win by five and one half lengths, and set a new stakes' record of 1:44 3-5.
